

WabiSabi Immediate Relief Vouchers

WabiSabi gives free materials to those in immediate need through our voucher program. These vouchers are filled out by Moab organizations that are serving those in immediate need or crisis situations. Individuals utilizing this program will receive a voucher issued through a partnering organization and are eligible to receive one voucher per two month period. Each voucher contains clear instructions of what items are eligible, and each is worth up to \$50. If a family is in need, each member is given their own individual voucher. Once vouchers are awarded to families or individuals, they may visit WabiSabi and have their material needs met at no charge. For more information on vouchers call our office: (435) 259-2553.

If you know an individual or family in need who could benefit from the WabiSabi Immediate Relief Voucher Program, please refer them to an appropriate agency from the following list:
